FUTURE PROJECT

As A2DaMoney continues to grow, the vision is to build a catalog that resonates worldwide, earn support from influential DJs and labels, and become recognized as a versatile electronic artist.

The goal is to create a signature sound that bridges the intensity of bass music with the infectious energy of house, delivering records that DJs want to play and crowds remember.

BIO

Arizona-based DJ, producer, and creative force A2DaMoney has built a reputation as one of the Southwest’s most versatile electronic and hip-hop artists. Equally comfortable commanding packed nightlife venues or delivering exclusive private performances. Beyond the music, his vibrant energy and undeniable charisma make every set an experience, not just a performance. He has most recently opened for Mattilo.

A2DaMoney is a regular performer at some of Arizona’s most recognizable nightlife destinations, including Cobra Arcade Bar, Riot House Scottsdale, El Hefe Scottsdale, and Almost Famous. His ability to read a room and seamlessly blend genres has made him a trusted name for both club promoters and private clients.

As a producer, his catalog continues to reach listeners around the globe. In 2025 alone, his music generated more than 135,000 streams across 148 countries, reflecting a growing international audience. His production credits include creating beats for Wiz Khalifa and MF DOOM, and he continues to collaborate regularly with DJ DeadHorses while expanding his sound into drum & bass, bass music, and hip-hop.
